UNFINISHED BUSINESS:

Other: There was none at this time.

NEW BUSINESS:

Lone Oak Proposed Waterline-John McClellan: Mr. McClellan presented Council with a map of the proposed project area as well as an estimated budget for the waterline project. We have been looking for an area to do a CDBG project; this area may qualify. There are 360 residences in the area. Mr. McClellan has a survey that the City could send out to find what interest there is in the area. The project could be done with a GEFA loan; at least 165 residences in the area would need to sign up and the project would pay for itself. The project would help with the area residences fire coverage; currently there are no hydrants in the area. There are no costs to the City currently other than if we send out the survey; we'd have the printing and postage costs. If well testing is done, the cost to the City would be \$25.00-\$45.00 per well per Robert Fields, Public Works Director. City Attorney Fleming stated that this is an example of an area outside the City limits that is not feasible for the County to run waterlines. Mr. McClellan stated we could do a GA Fund Loan at a rate of 3.81% over 20 years; 165 residences would pay for, 360 would double the income.

Crosswalk Improvements-Change Order #2: Mr. McClellan presented Council with Change Order #2 for the Crosswalk Project. The purpose of the change order is to balance and closeout the project. The cost of the change order is \$1,073.50. Mr. McClellan also turned in the final pay estimate with the warranty (5 years). Council will need to approve.

Mutual Aid Agreement-Fort Gordon: City Manager Rizner reported that this agreement was the same as what is in place now. It renews every two years or whenever there is a change over in command. Council will need to approve.

NEW BUSINESS (cont'd):

Ordinance-1st Reading:

- **Floodplain-Revised:** City Manager Rizner reported that this is an update to what we currently have in place. The purpose of the Ordinance is to delete Chapter 154 in its entirety and insert an entire new Chapter 154 for Flood Damage Prevention. Council will need to approve as the 1st Reading.

Housing Authority-Confirm Appointment: Mayor Culpepper reported that there was a vacancy to be filled on the Housing Authority. He has interviewed Randall Hill and he has accepted the position. City Attorney Fleming reminded Council that the Mayor appoints the members to the Housing Authority.

Tree Board-Reappoint of Members: Councilmember Blalock is recommending the extension of Tree Board members Robert Zipperer and Jack Hatcher's term in office. There is still a vacancy that needs to be filled.

Surplus Property-Trailer: City Manager Rizner is recommending the surplus of the 24 x 60 trailer that is located at the WWTP and for it to be placed on Gov Deals to possibly sell. He would like to see the gateways to the City cleaned up. The building is no longer a use to the City.

Other: There was none at this time.

Being no further business, Mayor Pro tem Dixon made a motion to adjourn the work session and to reconvene for the Regular meeting in ten minutes; 2nd by Councilmember Thigpen. Motion carried; all in favor. The work session adjourned at 6:55 p.m.

Other: Councilman Thigpen will be making a motion to amend or rescind a motion that was made last month pertaining to the mobile home that was surplus. The City of Thomson Fire Department is interested in using the building at their training facility in Thomson. He is asking for the Council to approve entering into an intergovernmental agreement to donate the building in exchange for a lifetime membership for the City of Harlem to have access to their training facility at no cost. Thomson will remove the building.

NEW BUSINESS:

Proclamation-Jacob Davis: Mayor Culpepper recognized Polly Davis at this time. Jacob Davis was her son who passed away recently. Jacob was a former employee of the City of Harlem, Family Connections, he was a member of the Harlem Masonic Lodge, the Chaplain of the Harlem Public Safety Department, was active in his Church and with the youth in the community and all around. The proclamation is recognizing Jacob for his involvement and also recognizing April 18, 2011 as "Jacob Davis Day". The Proclamation was presented to his Mother, Polly. Councilmember Thigpen commented on Jacob and his support of him.

Alcohol License-Las Lomas: Maria Cabrera-Garcia is applying as the new owner of Las Lomas. There were no other changes at this time. The application is before Council for approval.

NEW BUSINESS (cont'd):

Time Clock System: City Manager Rizner reported that the information presented is coming from the Administrative Committee meeting held recently. This will be an addition to the current software programs utilized through Harris Computers (TBS). The cost of the program is \$6,300.00. Mayor Pro tem Dixon is in support of the addition and feels that it will provide accountability for the employees.

Other: Due to an appointment at 7:00 p.m., Julie Miller gave her Departmental Report at this time.

Being no further information to discuss, Mayor Pro tem Dixon made a motion to adjourn the meeting and to reconvene at 7:00 p.m. for the Regular meeting; 2nd by Councilmember Thigpen. Motion carried; all in favor. The meeting adjourned at 6:45 p.m.

NEW BUSINESS (cont'd):

Other (cont'd)-Surplused Mobile Home: with our ISO rating as it is within a 15 mile radius of the City. Thomson will have the building moved. Motion carried; all in favor.

Other-Broadband Update: Mayor Culpepper gave an update on the Broadband Project. Council had authorized the Mayor to contact Bob Middleton and Tom Berry; his has met with Mr. Berry twice and had a conference call with Mr. Middleton.

They suggested Mayor Culpepper ask the County for several of the fiber cables; they probably wouldn't do, but we should ask anyway. There was a meeting with Ron Cross and Scott Johnson and the County would definitely not do. It has been promised that the Police and Fire departments will have access at no cost. We were being asked to do an easement that the County would own to run the lines; we would not do. The City of Grovetown has signed. With Tom Berry's approval, we have given them permission to go down N. Louisville Street. There will be junction boxes (hand holds) where the City could get access to the system. The County will get documents and a letter to us showing what we would get. Mayor Culpepper stated that if we did not negotiate, we would not know the things we know now. We have provisions for permits to do work in the right of ways or do an intergovernmental agreement.

Other-Time Clock System: Based on the recommendation from the Administrative Committee, Mayor Pro tem Dixon made the motion for City Manager Rizner to proceed with the purchase of the Time Clock System and for the approval of the appropriations of \$7,000.00 for this project to be divided equally by the five departments affected and any budgetary adjustments that might be needed; 2nd by Councilman Thigpen. UNFINISHED BUSINESS:

Other: Councilmember Thigpen will be presenting an Intergovernmental Agreement with the City of Thomson on the shared use of their fire training facility for approval.

NEW BUSINESS:

Cornerstone Creek PUD Amendment: The request to amend the PUD for Phase II of Cornerstone Creek has been withdrawn due to lack of support from the Planning & Zoning Commission. Mr. Lawrence withdrew the request after the Planning & Zoning meeting was closed prior to this meeting. The Planning Commission was making a recommendation to deny the request. No action will need to be taken on this item.

Ordinances-1st Reading:

- **Insurers License Fees:** Code Section 110.01 License Fees on Insurers is to be amended for the fees charged for doing business in the City from \$25.00 to \$40.00 and for additional business locations not otherwise subject to a license fee from \$10.00 to \$14.00. This will become effective with fees due January 1, 2012.
- **Amendment to Personnel Policy-Pay Period:** Code Section 33.25 Payday of the Personnel Policy is to be amended as to the payday for Administrative and Public Works employees. Currently they are paid on a weekly basis; they will go to a bi-weekly payday. This will make all pay periods for employees uniform.

DOT City Right-of-Way Agreement: This is to certify that we own the Right-of-Way on W. Trippe Street. Council will need a motion to authorize the Mayor to sign the agreement.

457(b) Retirement Plan: City Manager Rizner presented information to Council for consideration to add this program to the benefits offered by the City to its employees. There is no cost to the City or matching component.

NEW BUSINESS (cont'd):

Councilmember Root made the motion to adjourn Executive Session and to reconvene the Regular meeting; 2nd by Councilmember Thigpen. Motion carried; all in favor. Executive Session adjourned at 8:12 p.m.

City Attorney Fleming reported that there was two Real Estate matters discussed and that no final action was taken. Councilmember Blalock made the motion to authorize the Mayor to sign the Affidavit affirming this report; 2nd by Councilmember Root. Motion carried; all in favor.

Councilmember Blalock made the motion to approve the authorization of Mayor Culpepper to sign the agreement for the purchase of a piece of property in the amount of \$55,000.00 and for the General Fund to loan the SPLOST 2011-2016 Fund the funds for the purchase to be repaid to the General Fund and for any necessary budget amendments; 2nd by Councilmember Thigpen. Motion carried; all in favor.

Other: Councilmember Blalock has asked City Manager Rizner to check into the situation with a home in Cornerstone that was involved in a fire and has not been repaired as of this date. The property itself may not be taken care of; possibly falls under the Nuisance Ordinance. He will report back to Council what he finds.

Councilmember Blalock also would like to know about our guidelines on the zoning signs that are placed; he received complaints on the one that was placed at Cornerstone.

Mayor Culpepper reported that he had received a letter of thanks from the Daisy Shepherd family. We approved a Resolution designating a day as Daisy Shepherd Day in the City of Harlem.

Councilmember Thigpen gave an update on the Fire Service Contract with Columbia County. There was fourteen points of contention and was brought down to two; attorney fees and staffing. At this time we can not meet the contract requirements. He does not recommend signing the contract at this time. The County has approved \$300,000.00 for the White Road station to be re-opened.

The City Council of the City of Harlem, Georgia met for a Called Meeting on Thursday, May 19, 2011 at City Hall at 4:00 p.m. with Mayor Robert W. Culpepper presiding.

Present: COUNCILMEMBERS: Mayor Robert W. Culpepper, Councilmember Tom Blalock, Councilmember Robin M. Root, and Councilmember John Thigpen; STAFF: City Manager Jason M. Rizner, City Clerk Debra E. Moore, City Attorney Barry Fleming and City Attorney Adam Nelson; ABSENT: Mayor Pro tem Rudolph Dixon; VISITORS: Bill York, Kirby Glaze and Public Safety Director Jesse Bowman.

PURPOSE: Public Safety Building:

- Bank Proposals
- Contract Award
- Reimbursement Resolution
- Other Project Items

The meeting was called to order by Mayor Culpepper at 4:00 p.m.

The Invocation was given by Councilmember Blalock.

The Pledge of Allegiance was led by Mayor Culpepper.

Bank Proposals: City Attorney Fleming addressed Council. He has spoke with City Manager Rizner in detail; better program is the Bricks & Mortar program through GMA. He recommends the program. The State does not allow Municipalities to incur debt over long periods of time. The loan is made to GMA and we would repay the loan to GMA as a lease. The program is done commonly and successfully prior. We will have to go before the Superior Court for approval. There is a Resolution to be passed to repay ourselves for monies we have paid out prior to the Superior Court approval.

Kirby Glaze addressed Council and presented them with an update on the budget and so forth on the project. The Bricks & Mortar program funding is through BB&T. It would be a 20 year term at 4.71% interest. He has spoke with them and they have agreed to waive the prepayment fee as long as we do not pay off in the first five years. The payments will be semi-annually and the payments for the first year will be interest only. They would like to close by June 24, 2011. He recommends moving forward with BB&T. Councilmember Thigpen is in favor of moving forward with BB&T; he feels that waiting on USDA will increase the project costs.

Bank Proposals (cont'd): Councilmember Thigpen made the motion to authorize the Mayor to execute the paperwork with GMA for the Bricks & Mortar program and the funding with BB&T; 2nd by Councilmember Root. Discussion: City Attorney Nelson is also in support of the program. Mayor Culpepper and Councilmember Blalock both commented that we have no assurance of a contract with USDA. Motion carried; all in favor.

Contract with Contractor: Councilmember Root made the motion to authorize the Mayor to proceed and execute with fixed price contract with J.W. Spratlin subject to the City Attorney's approval; 2nd by Councilmember Thigpen. Motion carried; all in favor.

Reimbursement Resolution: The purpose of the Resolution is for the City to declare and affirm that the City will reimburse expenditures from proceeds of the Obligations issued through the Georgia Municipal Association Bricks and Mortar Program for the acquisition, construction and renovation of a public safety facility and new fire station within the City. Councilmember Thigpen made the motion to approve the Resolution and to authorize the signature of the Mayor; 2nd by Councilmember Blalock. Motion carried; all in favor.

There were some discussions on the closing of the building. We have currently entered into an option to purchase. City Attorney Nelson will follow up on this item. He will get with John Panell.

There was no discussion under Other Public Safety Building/Fire Station Project Items.

As there was nothing further to come before Council, Councilmember Thigpen made the motion to adjourn the meeting; 2nd by Councilmember Root. Motion carried; all in favor. The meeting adjourned at 5:00 p.m.

Respectfully submitted,

Debra E. Moore
City Clerk

Present: COUNCILMEMBERS: Mayor Robert W. Culpepper, Mayor Pro tem Rudolph Dixon, Councilmember Tom Blalock, and Councilmember John Thigpen; STAFF: City Manager Jason M. Rizner, City Clerk Debra E. Moore, and City Attorney Barry Fleming; ABSENT: Councilmember Robin M. Root; VISITORS: John Pannell, Franklin Jennings and Mike Mullan.

The Work Session was called to order by Mayor Culpepper at 6:30 p.m.

UNFINISHED BUSINESS:

Ordinances-2nd Reading:

- **Insurers License Fee**-Rate increase effective January 1, 2012. From \$25.00 to \$40.00; additional insured from \$10.00 to \$14.00.
- **Amendment to Personnel Policy-Pay Period**-Administrative and Public Works Departments will change from a weekly pay period to a bi-weekly pay period.

Resolution-457(b) Deferred Compensation Plan-this program is through GMA and is administered by Met Life. There is no cost to the City; employee investment only. Fees are paid by the employee.

Other: None at this time.

NEW BUSINESS:

Variance Request-Lucky Lady Pecans, Gifts & More: Requesting a reduction in the minimum required landscape buffer at the side property line to 12 feet for the new cold storage warehouse and a reduction in the minimum setback from the rear property line to 5 feet for the Pole Barn. Discussion: It has been determined by the City Attorney that the front of the property is N. Louisville Street. There were questions about the refrigeration and where it would be located; response would be located between the existing building and the new building. The height of the building will be 30 feet. A question concerning the placement of the building being more towards the residential area and not towards N. Hicks was brought up by Councilmember Thigpen. The response had to do with establishing parking with the existing parking. It was also said that giving up four or five spaces would not make or break the project. There was an issue with the loading dock and turning in on the N. Hicks side. There was no further discussion at this time.

Application for Rezoning: A request was received from Phil Turner, Chairman of the Harlem Housing Authority Board, to have the property rezoned from R1-B to A-1 for the purpose of building a fire station to be operated by the City of Harlem. The Planning & Zoning Commission approved the request.

NEW BUSINESS (cont'd):

Convention & Visitors Bureau Agreement: This will be a three year renewal; currently doing a yearly renewal. There are no other changes to the agreement.

Resolution-Better Hometown Program: The Resolution is for the support of the Georgia Better Hometown Program and also states that we will be submitting an application to DCA by June 30, 2011.

Resolution-Authorize Installment Sales Agreement with GMA: The Resolution allows the City to enter in the Agreement with GMA. This is for the Public Safety Project.

Application for Alcohol License-Armando's: Application meets all requirements; is for beer and wine products only.

Thermal Imaging Camera: Councilmember Thigpen reported to Council that this is one of the items that was agreed to purchase from the 2011-2016 SPLOST. The City of Grovetown received two of these cameras in error; it is roughly a \$14,000.00 camera. If we agree to purchase the camera, they will give it to us for \$8,300.00. Council will need to approve the purchase from the general funds, a budget amendment for the transfer of funds and for the funds to be repaid from the 2011-2016 SPLOST.

Water Telemetry/SCADA System: We have received several quotes for the system. The system that is recommended by Public Works Director Robert Fields is option #2 from Mission Communications in the amount of \$20,892.00 with a contingency of \$2,000.00 for any items that may arise during the installation. There are funds in the Capital Projects account to cover the costs. Council will need to approve the purchase.

Other: There was none at this time.

Being no further business before Council, Mayor Pro tem Dixon made a motion to adjourn the Work Session and to take a five minute break prior to starting the Regular meeting; 2nd by Councilmember Blalock. Motion carried; all in favor. Work Session adjourned at 6:55 p.m.

Debra E. Moore
City Clerk

The City Council of the City of Harlem, Georgia met for their Regular meeting on Monday, June 20, 2011 at Harlem City Hall following the Work Session that was held at 6:30 p.m. with Mayor Robert W. Culpepper presiding.

Present: COUNCILMEMBERS: Mayor Robert W. Culpepper, Mayor Pro-tem Rudolph Dixon, Councilmember Tom Blalock, and Councilmember John Thigpen; STAFF: City Manager Jason M. Rizner, City Clerk Debra E. Moore, and City Attorney Barry Fleming; ABSENT: Councilmember Robin M. Root; VISITORS: Neal & Sherri Thompson, Kelli Fulford, Brooke Inglett Smith, Kim Inglett, Katie Johnson, Shirley Mayne, Marjorie Luckey, Janet Short, Norm Selby, Bobby Hutto, Dick Embery, Mike Rorick, Armando Reyes, Franklin Jennings, Mike Mullan, Jesse Bowman, Julie Miller, Robert Fields, and Randall Cook.

The meeting was called to order by Mayor Culpepper at 7:03 p.m.

The Invocation was given by Mayor Pro tem Dixon.

The Pledge of Allegiance was led by Mayor Culpepper.

Approval of the Minutes: A motion was made by Mayor Pro tem Dixon to approve the minutes of the May 19, 2011 Regular meeting as written; 2nd by Councilmember Blalock. Motion carried; all in favor.

Special Recognition: Randall Cook of the Public Works Department was recognized as the Employee of the Quarter for the 2nd Quarter of 2011.

Public Comment:

Norm Selby of 205 W. Milledgeville Road addressed Council on the implementation of a storm warning system (warning sirens). He suggested contacting Military Surplus; they have fire sirens that cover a two mile radius. He suggested placing one on each water tower or having one centrally located. FEMA can give guidelines on decibels, etc.

Dick Embry of 385 W. Trippe Street addressed Council on the use of amateur radio in some of our plants. There would be FEMA/GEMA guidelines to follow; currently hospitals (local) are implementing. Columbia County Sheriff's Department has both officers and dispatchers licensed. Currently there are more classes scheduled to start this year; has paperwork he will leave with us.

Neal Thompson of 145 W. Trippe Street addressed Council on the Tracy-Luckey expansion. Mr. Thompson wanted to know why it was listed under New Business on the Agenda when it work was already started; the variance request has not been before

Public Comment (cont'd):

Neal Thompson (cont'd)-Council before so this makes it New Business. He also reported that the buffer had already been taken down.

Sherri Thompson (formerly McDaniel) of 145 W. Trippe Street addressed Council on the Tracy-Luckey expansion. Mrs. Thompson wanted to know if this was the first meeting; no, there was a Planning & Zoning Commission meeting on June 13. This could be the final vote tonight. She had issues with the conditions of some of the buildings that are in view (rust, etc.). Mrs. Thompson wanted to know if Tracy-Luckey would have to follow the guidelines; HPC only has to look at the front of the new building, the rest of the building would have to follow the material requirements of the Code of Ordinances. Mrs. Thompson wanted to know if they would be compensated for the decrease in their property values; City Attorney Fleming responded that the City is not liable for this. Mrs. Thompson questioned about the materials for the fencing. Mike Mullan of Kuhlke Construction responded to this. A survey has been done and registered with the State. The fences will be a six foot wooden privacy fence. They have to follow stricter guidelines of the FDA. They are cleaning up the area because of possible infestation; the concrete is to help. Mrs. Thompson questioned if the area between the six or eight foot fence would be maintained by Tracy-Luckey; Mr. Mullan responded he assumed so.

Kelli Fulford of 6516 Campbell's Way (also Mother of Brooke Inglett Smith) addressed Council on the Tracy-Luckey variance approval. Mrs. Fulford had an issue with N. Louisville Street being considered the front of the property; address is actually 110 N. Hicks Street, so in her opinion that should be the front of the property. She had an issue with the fact that the landscape barrier was in place when the property was purchased and now it is gone, with being notified late Friday afternoon about tonight's meeting and the signage for the meeting. City Attorney Fleming spoke on Tracy-Luckey being grandfathered in on some of the issues that were brought up Ms. Fulford and Mr. Thompson. Ms. Fulford does not feel that Council can vote on this issue using the grandfather rule. She spoke on the noise ordinance. Ms. Fulford feels, in her opinion, that something is being slid under the rug. She feels that Council should be educated on issues prior to Council meetings; also, that full Council should be in session. She asked for notification if this item is not approved and comes before Council again.

Jack Hatcher of 160 W. Trippe Street addressed Council on the Tracy-Luckey building. Mr. Hatcher had concerns with the 30ft building; he understands that the front will be brick and back will be of whatever. Tracy-Luckey will have to follow all guidelines for materials, historic and otherwise. Council made Dollar General and IGA comply with total brick front, sides and back. He also had concerns with a decrease in property values.

Public Comment (cont'd):

Brooke Inglett Smith of 135 W. Trippe Street addressed Council on the Tracy-Luckey expansion. Ms. Smith stated that she had purchased the property knowing that Tracy-Luckey was there. At the time of purchase the buffers were in place and minimized the noise. Now they have removed everything and are seeing rusty buildings, the new larger building, etc. She had an issue with not being notified of the meetings and suggests we put notifications in the newsletter. She has concerns with property values decreasing due to the construction. She also stated that if rules/laws are put in place they should be observed. She was very supportive of the expansion, but not at her expense.

Currently the plans are not done on the building, but they will have to comply with the façade ordinance (152.190). City Attorney Fleming stated that HPC can not give a variance on the façade.

Mayor Culpepper thanked everyone for their comments and concerns and everything would be taken into consideration.

The City Council of the City of Harlem, Georgia met for a Called meeting on Thursday, July 7, 2011 at Harlem City Hall at 5:00 p.m. with Mayor Robert W. Culpepper presiding.

Present: COUNCILMEMBERS: Mayor Robert W. Culpepper, Mayor Pro tem Rudolph Dixon, Councilmember Tom Blalock, Councilmember Robin M. Root and Councilmember John Thigpen; STAFF: City Manager Jason M. Rizner, City Clerk Debra E. Moore, and City Attorney Barry Fleming; VISITORS: Linda Culpepper, Phil Turner, Sherri Thompson, Bob Knox, Patty Johnson, Brook Inglett Smith, Kelli Fulford, Ruth Tracy Blackburn, Ed Wicker, Mike Mullan, and Jack Hatcher.

PURPOSE: Installment Sales Agreement-Georgia Municipal Association
Variance Request-Lucky Lady Pecans, Gifts and More

The meeting was called to order by Mayor Culpepper at 5:00 p.m.

The Invocation was given by Mayor Pro tem Dixon.

The Pledge of Allegiance was led by Mayor Culpepper.

Installment Sales Agreement-Georgia Municipal Association: City Attorney Fleming presented the Resolution to Council. The Resolution is for the Mayor and City Council to authorize the public sale of property and ratifying the execution of an installment sale agreement and other documents relating to the purchase, construction, and improvement of certain real estate and facilities (Public Safety Building and Fire Station Project). Councilmember Thigpen made the motion to approve said Resolution and to authorize Mayor Culpepper to sign the Resolution; 2nd by Mayor Pro tem Dixon. Motion carried; all in favor.

Variance Request-Lucky Lady Pecans, Gifts and More: City Attorney Fleming addressed Council on this item. At a prior meeting Council approved to table this item until further information and discussion could be had. Council would have to approve to bring it off the table at this time to proceed. Councilmember Blalock made the motion to bring the Variance Request of Lucky Lady Pecans, Gifts and More off the table; 2nd by Councilmember Thigpen. Motion carried; all in favor.

City Attorney Fleming proceeded to address some issues that were brought up pertaining to the new Cold Storage Building.

- Violated City Ordinance pertaining to Landscape Buffer: The removal of the existing buffer was done to be in compliance with Federal and State Regulations that require this. Lucky Lady was required to provide proof of the regulation, which it was. If you are a food processing plant, you are not allowed to have underbrush that could possibly be a home for pests, etc.

Variance Request-Lucky Lady Pecans Gifts and More (cont'd):

- Creates a Public Nuisance: The answer to this would be no. This is a situation of “coming to the nuisance”. This means that Tracy Luckey was there prior to the residents moving in. They have the right to operate their business.
- Violation of Commercial Buffer: This is not the same as the landscape buffer. This is the distance limitation from the commercial property and the residential property in existence. The building has not been built yet so there is no encroachment upon the amount of distance from the property line.

Mr. Fleming stated that he did not see anything that would prohibit Council from granting the variance. He is of the understanding that all but one of the residents that have come forward with concerns are satisfied.

Mr. Fleming also addressed the material of the outside of the building. He has had a conversation with the Historic Preservation Commission Chairman and they have approved brick to be used on the side of the building facing N. Hicks Street; the Tracy Luckey building as a whole faces the main street (N. Louisville). HPC issued a Certificate of Appropriateness for the same brown brick and mortar on the N. Louisville side of the existing Tracy Luckey building to be used on the N. Hicks side of the new building. The Ordinance requires that all non-residential buildings will be all brick. There is some question as to whether it means one side or all sides. He feels that we have some leeway and could decide to do some sides but not all. One side of the building will not be seen by the public.

At this time, Mayor Culpepper allowed public comment with a three minute time limit:

- Brooke Inglett Smith: Concerns with the materials; she would like to see brick on her side as well. She also would like consideration be given to put the building in another place as discussed previously; would only reduce the parking by three or four spaces.
- Sherri Thompson: She acknowledged meeting with Tracy Luckey but that no specifics were given at that time. She also did not want whatever was used to replace the landscape buffer to be so close to some plantings that she has in her yard. They are 40 year old plantings of her grandmothers and have a lot of sentimental value for her.
- Kelli Fulford: She commented on the replanting of the landscape buffer being on Tracy Luckey’s property and not on her daughters. She also reiterated the use of brick on all sides of the new building and the possibility of moving the building as suggested earlier.

During these comments, City Attorney Fleming addressed the issue of the replacement of the landscape buffer. There was some consideration of putting in Leland Cypress trees. Ms. Fulford had questioned if Leland Cypress was put at the Wastewater Treatment Plant

Variance Request-Lucky Lady Pecans, Gifts and More (cont'd): and if it was it would not be a good idea, as those down there were dying. City Attorney Fleming stated to Council that they could include the type of vegetation to be used in the variance request, if approved.

Bob Knox also addressed Council as the Attorney for Lucky Lady Pecans Gifts and More. He spoke on their behalf pertaining to the materials and the façade. They are understanding of the requirements of the ordinance as far as the brick, stucco, and textured masonry block. Also that it is based on the City's interpretation. They are asking that a decision be made reasonably and as less costly as possible.

Councilmember Root asked if the front of the new building was established; City Attorney Fleming stated that HPC established N. Hicks Street for the new building. Councilmember Root also asked for clarification as to the landscaping on the side property line and where exactly it was located. Mike Mullan addressed this and it was pointed out to her on the preliminary site plan. This is located at the rear of the new building. Councilmember Thigpen asked about the new building being uniform with the existing building which is 15 feet from the property line. The building is placed where it is for the maneuverability for the trucks; there would also be some loss of parking. This would cause another variance request because the parking they have is in compliance with ordinance requirements. Councilmember Root questioned if the concrete pad is within the 15 foot buffer; this is actually part of the paving. Mr. Mullan stated that the buffer is currently 12 foot at the narrowest point. Councilmember Thigpen stated he would be more favorable to a 15 foot buffer. There was some more discussion pertaining to the vegetation and the upkeep; Ms. Blackburn stated that Tracy Luckey would maintain the vegetation. They will be putting in a drip system.

At this time, the following was put forth for a motion:

That the variance would be granted with the following stipulations:

- Instead of a 12 foot property line set back as requested, it would be a 15 foot property line set back;
- The front of the Cold Storage Building will be facing N. Hicks Street and will conform to the Certificate of Appropriateness issued by HPC;
- Of the three remaining sides, the two sides not facing the existing building will meet the requirements of Ordinance 152.190 for the material to be brick, stucco, or textured masonry block and will be approved by the City Manager. The side of the building that will not be seen by the public and faces the existing building will not;
- There will be eight foot privacy fences established on all sides of the property except N. Hicks Street, N. Louisville Street, and the border of the Van Keuren property;

Variance Request-Lucky Lady Pecans, Gifts, and More (cont'd): Stipulations
continued:

- An established boundary and the shrubbery and trees will be approved by the City Manager. The shrubbery and trees will be outside the eight foot privacy fence and facing the properties located on W. Trippe Street. This area will be maintained by Tracy Luckey.
- The request for the reduction of the minimum setback from the rear property line of the Pole Barn is approved at five feet.

Councilmember Thigpen accepted this motion as proposed and put it forth for approval; 2nd by Councilmember Blalock. Discussion: It was reiterated that the closest point would be no more than 15 feet. Motion carried; all in favor.

Being no further business before Council, Mayor Pro tem Dixon made the motion to adjourn the meeting; 2nd by Councilmember Thigpen. Motion carried; all in favor. The meeting adjourned at 5:50 p.m.

Present: COUNCILMEMBERS: Mayor Robert W. Culpepper, Mayor Pro tem Rudolph Dixon, Councilmember Tom Blalock, Councilmember Robin M. Root, and Councilmember John Thigpen; STAFF: City Manager Jason M. Rizner, City Clerk Debra E. Moore, and City Attorney Barry Fleming; VISITORS: Mike Rorick, Valerie Rowell, Robert Fields, Jim March, Ruth Tracy-Blackburn, Mike Mullan, Phil Turner, Ed Wicker, Pam Tucker and Jim Davis.

The meeting was called to order by Mayor Culpepper at 6:30 p.m.

The Invocation was given by Mayor Pro tem Dixon.

The Pledge of Allegiance was led by Mayor Culpepper.

UNFINISHED BUSINESS:

Other: Lucky Lady Pecans, Gifts, and More-Materials for Cold Storage Building: They have brought before Council for consideration a stucco product to be used on the outside of the building. The product is baked on metal and is used for refrigerated buildings. The N. Hicks Street side would be the brick and mortar as approve in the COA issued by HPC; this product would be put on the sides facing the Van Keuren property and W. Trippe Street. The building is a pre-engineered metal building; there will be a frame that will have the product attached to.

NEW BUSINESS:

Resolution:

- **Columbia County Emergency Management:** Pam Tucker was present to address this item. The plan is updated every four years. The Resolution is for the plan update.
- **Short-Term Work Program Update:** The minimum public hearing requirements have been met. The Resolution is for the transmittal of the Five Year Short Term Work Program update to the Regional Commission for review.

Rezoning Request for City Property: The Planning & Zoning Commission voted to approve the rezoning of the City owned property located at the corner of Campbell's Way and Appling Harlem Road (at the Wastewater Treatment Plant). The request is to rezone the property from R-1A Residential to A-1 Agriculture for the purpose of building a Fire Station on the property.

HPC Appointment: Mayor Culpepper is placing Janet Short (formerly Luckey) up for approval. She has previously served on the Planning and Zoning Commission for Royston and worked with Growth Management in Jasper.

Other: City Manager Rizner announced that if it met with everyone's schedule, we would change the Council Quarterly meeting from this Friday, July 29 to Friday, August 19. The meeting would still start at 8:30 a.m.

Being no further business for discussion, Mayor Pro tem Dixon made the motion to adjourn the Work Session and to reconvene the Regular meeting at 7:00 p.m.; 2nd by Councilmember Thigpen. Motion carried; all in favor. The Work Session adjourned at 6:52 p.m.

Debra E. Moore
City Clerk

The City Council of the City of Harlem, Georgia met for the Regular meeting on Monday, July 25, 2011 at Harlem City Hall following the Work Session scheduled for 6:30 p.m. with Mayor Robert W. Culpepper presiding.

Present: COUNCILMEMBERS: Mayor Robert W. Culpepper, Mayor Pro tem Rudolph Dixon, Councilmember Tom Blalock, Councilmember Robin M. Root, and Councilmember John Thigpen; STAFF: City Manager Jason M. Rizner, City Clerk Debra E. Moore, and City Attorney Barry Fleming; VISITORS: Mike Rorick, Valerie Rowell, Robert Fields, Jim March, Ruth Tracy-Blackburn, Mike Mullan, Phil Turner, Ed Wicker, Pam Tucker and Jim Davis.

The meeting was called to order by Mayor Culpepper at 7:00 p.m.

Approval of the Minutes: Mayor Pro tem Rudolph Dixon made the motion to approve the Minutes of the June 20, 2011 Regular meeting as written; 2nd by Councilmember Thigpen. Motion carried; all in favor.

Public Comment: Jim Davis of 347 G. R. Tucker Road wanted to address Fire Protection and a car wash. Mr. Davis had concerns about there no longer being a fire station in the White Road area. He wanted to know if it was quicker to call the City or the County. Councilmember Thigpen responded that he needed to contact 911 and the call would be distributed accordingly. Pam Tucker was at the meeting and she also commented on his concerns. They currently have plans of putting up a fire station on County Line Road. If the City was called out for mutual aid they would respond.

Mr. Davis also had a question pertaining to the car wash located next to the old Ford building as to whether the City had purchased it and was going to tear it down; the response was no we did not own it so therefore had no plans to tear it down.

Mr. Davis thanked Council for their time.

The building is a pre-engineered metal building; there will be a frame that will have the product attached to. Mayor Culpepper turned this over to City Attorney Fleming to be addressed. According to Code Section 152.190 section (D), the proposed design of all commercial, industrial, institutional buildings (church, schools, and the like) and all non-residential buildings should be presented to the City Manager and City Architect for review and that it will comply with applicable building regulations and design guidelines per approved Ordinances. The construction materials are to be brick, stucco, or textured masonry brick; EIFS is not allowed to be used on the outside of any of the above mentioned buildings. If Council were to approve the material presented, it would be setting a precedent as the ordinance currently states “not look like stucco.”

Councilmember Thigpen made a motion to refer this to the City Manager to contact Carter-Watkins for recommendation; 2nd by Councilmember Root. Discussion: The final decision will be made by the City Manager after the recommendation. Motion carried; all in favor.

Variance Request-Patrick Wiltshire: Patrick Wiltshire of 180 W. Milledgeville Road, Map and Parcel H03 147 zoned R-1A Residential, is requesting a 5 foot side set back variance. The side setbacks are currently 15 feet; he would like a 10 foot setback. The purpose of the request is

NEW BUSINESS (cont'd):

Variance Request-Patrick Wiltshire: for the installation of a carport to match the existing structure. The Planning & Zoning Commission is making the recommendation to approve the request.

Other: City Manager Rizner presented to Council a change order on the Public Safety Building project. The changes are in the Court Room/Training Area to adjust for one Judge's bench to proposed design for adding Council Dias with 8 microphones (7 at council Dias and one wireless on the podium). The cost of the change order is \$17,200.00. The funds are available in contingency. There is no increase in the costs of the note. Smaller items are not included in this; ex. air systems (compressors), hose connections, and power sources. Administration can approve these without going before Council. Council will need to approve the change order.

Being no further business, Mayor Culpepper called for a motion to adjourn the work session and to reconvene in ten minutes for the Regular meeting. That motion was made by Councilmember Blalock; 2nd by Councilmember Thigpen. Motion carried; all in favor. The work session closed at 7:00 p.m.
