## NEW STREET CONVERTED TO ONE-WAY

Effective June 6th, New Street in downtown Harlem will become a one-way street. Traffic will be allowed to turn onto New Street from North Louisville Street. However, no traffic will be permitted to turn onto North Louisville Street from New Street. The change in the traffic pattern has also allowed additional on-street parking to be added to New Street. Signs and markings will be installed prior to June 6th to alert motorists to this change.

**As the summer months begin, please be aware that grass and weeds allowed to grow over 12 inches high is a code violation. Please be courteous to your neighbors and keep an eye on the height of the grass in your yards.**

**PUBLIC WORKS DEPARTMENT NOTICE**

It's that time of year where the heat of the day can bring afternoon thunderstorms. Although we haven't had much rain so far this year, a small amount of water will create an environment that is conducive for the breeding of mosquitoes. Old tires, wading pools, buckets and gutters are perfect for the breeding of mosquitoes. Please take the time to inspect your property and empty all standing water before these pests become a problem for you and your neighbors.
