Happy New Year!

On behalf of the Mayor and Council, I would like to extend our warmest greetings to everyone during the New Year! It is my pleasure to serve as your new City Manager and I look forward to meeting citizens during the New Year. The City of Harlem is a special place and as a community I believe we can all work together to preserve the small town charm and encourage smart growth that can benefit all.

I am excited for the many projects and other related activities that will be undertaken this year. The new Harlem Library will be a catalyst for the downtown area. A vibrant and active downtown is very important to promoting commercial growth and achieving active storefronts. We hope to see continued investment in downtown Harlem and the expansion of local businesses that will allow residents to spend their money locally and spur our economy.

I consider the City of Harlem, its residents, and employees to be one big family. With that approach, I believe our role is to assist all to the best of our ability. If we can serve you, please contact City Hall and know that our staff is ready to accommodate.

Sincerely,

C. Brett Cook
Harlem City Manager
