By now, you've realized school is out for summer! Be ever mindful of more children out and about in neighborhoods, along our streets, and downtown. We want to make sure we all have a great and safe summer. For those of you looking for things to entertain your "already bored" child, the Library and the Art Council have classes, crafts and reading challenges awaiting on your child.

Speaking of safety, if you and your family are going out of town for an extended amount of time, our Public Safety Officers would love to check on your property to make sure it is secure while you are away. If you'd like their services, please contact our Public Safety office for details.

Movie nights will start up again on Friday nights in June and July. These family friendly movies will be shown in the Plaza and are free. Bring your chair or blanket and enjoy a movie under the stars. Thank you Andrew McMahon for planning some great movies for our entertainment.

On, June 18th, a very special young lady will be celebrating a milestone birthday. Mrs. Frances Rolland will be 100 years old. I bet she can tell us a lot about how our city has grown over the years. Mrs. Rolland, I hope you have the best birthday. Join me in congratulating Mrs. Rolland on her birthday. There are some special events to commemorate Mrs. Rolland on her birthday to be announced later.

The months of May, June and July are known as the Patriotic Months because the significant dates that we associate Patriotic events with. In May, we honored the soldiers who gave their lives for our freedoms. June 14th, we celebrate the birth of our flag. July 4th, we will then celebrate the birth of our great Country. God bless America and God bless each of you. As you plan your celebrations and bar-b-ques, remember safety first. We want everyone to have a great time and enjoy their events without a trip to the hospital or visit from our Police or Firemen. Also, be considerate of your neighbors.

I hope you will take time to thank your City Employees for all their hard work. From our Public Safety Departments, Public Works Departments to those smiling faces at City Hall. These individuals work tirelessly to ensure Harlem remains the prettiest city around.
